# VALUE PLUS series

Improve your home's appearance and energy efficiency with a Clopay Value Plus Series insulated garage door. Available in 24 or 25 gauge steel with polystyrene insulation in 1-5/16" or 7/8" thicknesses, Value Plus Series models offer moderate insulating R-values, strength and security, as well as quiet operation and a beautiful appearance. Choose from multiple panel styles, many color options and a wide range of decorative window options to create a door that fits your budget and enhances your home's curb appeal.

## 2-LAYER CONSTRUCTION

1-5/16" or 7/8" polystyrene insulation provides comfort, energy efficiency and quiet operation in every season.

- Tongue-and-groove/shi lap section joints help seal out wind, rain and snow.
- Replaceable bottom weatherseal in a rust-proof aluminum retainer helps prevent elements from entering garage.
- Patented Safe-T-Bracket® helps prevent serious injury that could occur if the bottom bracket were removed with the garage door closed and under tension.
- Nylon rollers are smooth and quiet.
- Galvanized steel hinges are durable, reliable and secure.
- Inside/outside step plates and grip handles make doors easy and safe to operate.

## DETAIL

Deep panel edging and natural embossed woodgrain texture improve appearance close-up and from the curb.

## STYLE

### **Traditional Short**

Complements homes with traditional styling. Models T42S, T41S, T52S, T51S and 1500.

### **Traditional Long**

Ideal for ranch style homes. Models T42L, T41L, T52L, T51L and 76V.

### **Modern Flush**

Perfect for contemporary and some transitional style homes. Models T42F, T41F and T51F.

*Doors range from 6' to 16' high and 4'2" to 18" wide. Consult your Clopay dealer for size options.  
WindCode® doors available to meet most regional wind load requirements.  
Consult your local dealer for specific information.*

Model 76V, Long Traditional Panel with  
Optional Prairie 610 Window Design

## COLORS

- Exterior steel on standard color doors has a natural woodgrain texture.
- Doors can be painted to match the home's exterior using a high-quality latex exterior paint. Do not use oil-based paint.

*Due to the printing process, colors may vary.*

## RUST-PREVENTION SYSTEM

Steel skins are protected through a tough, layered coating system, including a hot-dipped galvanized layer, a protective metal oxide pretreatment and a baked-on primer and top coat.

## STEP PLATE/LIFT HANDLE

Color-matched exterior step plate/lift handles are durable, attractive and allow for safe opening and closing of your door.

*Model 1500, Short Traditional Panel*

## A FOCUS ON *green*

Clopay is committed to designing, manufacturing and distributing garage doors that enhance the beauty, safety and value of your home while minimizing the impact on the environment.

The Value Plus Series helps conserve natural resources by providing a durable, reliable, low-maintenance door. Steel doors and hardware are impervious to moisture and will not rot, warp, crack or fade, and the steel used in Clopay's doors is made from over 75% recycled content. All Clopay doors are made in the U.S., minimizing shipping, damage and handling. For more details on Clopay's green practices, visit our website at [clopaydoor.com/green.aspx](http://clopaydoor.com/green.aspx).

# Windows

Inspired by current architectural trends, our windows add natural light to your garage while adding curb appeal to your home. All Clopay window frames are UV-protected and are color matched to our prefinished door colors. Window frames screw in from the inside for easy glass replacement or to change designs.

## DECORATIVE WINDOWS

Available in short or long panel designs, Clopay's decorative windows are created to complement many home styles.
