RESIDENTIAL ANNUAL/BIENNIAL SERVICE AGREEMENT

Like any other mechanical moving device the garage door needs regular maintenance to maintain maximum performance. Garage door problems usually start out small and if they go unnoticed can eventually lead to the door binding, damaged panels, throwing the door off track or even having the door completely falling out of the tracks. A little preventative maintenance can add years of life to your overhead door and garage door opener. King Door has come up with simple and cost effective maintenance agreement to assure your garage door gets its required maintenance. Choose the plan that best suits you.

24 MONTH MAINTENANCE AGREEMENT
